Library Tours

Come and See What the Library Has to Offer.

Monroe County Public Library welcomes tour groups of all ages. We will show you different areas of the library and demonstrate how our collections and services can help you in your school, work, or recreational activities.

You may request a research instruction tour or a tour with another special focus. Tours are tailored to the age and subject level.

We appreciate two weeks' advance notice.

Tours available:

- Preschoolers and elementary students: Fill out Children's Services Library Visit Request form or call 349-3100.
- Teens: Fill out the Teen Library Visit Request form or call 812-349-3264.
- College classes and adult groups: Fill out the Adult Services Library Tour Request form or call 349-3228.
