

Interlibrary Loan

Monroe County Public Library offers Interlibrary Loan through resource sharing with cooperating libraries. You may borrow books and get copies of articles from other libraries through the Monroe County Public Library provided that you have a MCPL library card in good standing with less than \$10.00 in fines.

We follow the [national guidelines for Interlibrary Loan](#) and do not request DVDs, music CDs, Books on CD and Computer Software, nor do we request books that have just been published (within six months). Also, we follow the guidelines by asking you, the patron, to use local resources first, especially Indiana University Libraries. All Indiana residents may borrow materials from Indiana University. You may [search IUCAT](#) , the catalog of IU Libraries, or call the IU Reference Desk at 812-855-8028.

If the material you want is unavailable locally, we will attempt to obtain it for you. You may submit your own Interlibrary Loan request by searching for the desired item and then selecting the "*Borrow this item from another library (Interlibrary Loan)*" link in [WorldCat](#) or you may call our Reference Desk at 812-349-3228 for more information. You may have only 3 active requests in the system at a time.

Questions or Comments? Use [this form](#) to submit them. **[Do not use this form to request books, etc. from other libraries. Call us at 812-349-3228 with those requests.]**
