Lynda.com Is Here!

Lynda.com, one of the world's leading online learning platforms, is now available to Library cardholders free of charge.

It's easy to get started? just set up your Lynda.com account through the Library's subscription, choose from hundreds of topics in Lynda.com's course library, and start learning.

Setting Up Your New Lynda.com Account

1. From the Library's website, go to the [Lynda.com login page](#) [2].
2. Log in to Lynda.com using your **Library card number and PIN (password)**. *This is the same password you use to log in to your Library user account.*
3. Click **No, I've never had an account**.

» *What if I already have a Lynda.com account?*

*Choosing **Transfer My History** allows you to import your course history from existing Lynda.com accounts. Because different Lynda.com providers offer varying levels of account privileges, choosing this feature may result in reduced functionality on one (or both) of your Lynda.com accounts. To avoid this potential issue, it is recommended that you start a brand new profile for access to Lynda.com through the Library's subscription.*

4. Fill in your name and email address on the **Create a Profile page**. Click **Save** to complete the account setup process.

You're all set! **Choose Browse the Library** to see all the topics you can learn about.
